DIRECTOR
David Coleman

The mission of the Office for Social Ministry is to support parish efforts in living the principles of Catholic social teaching, the foundation of our Catholic faith that calls us to live the gospel values as modeled by Jesus Christ. OSM calls parish communities to a deeper understanding of their baptismal call to link their faith and action through works of charity and social action. OSM believes that the mission for peace and justice can be realized through the following venues:

• By identifying, supporting, and training leaders who will organize people and activities around four ministry areas of direct service, legislative advocacy, community organizing and justice education

• By striving to establish ways of helping parishes integrate social ministry in all aspects of parish life so parishioners do not see the social mission of the Church as fringe and also help establish good communication systems that keep the entire parish ohana and community connected

• By creating formation opportunities to ensure that the social ministry work remains rooted in Scripture and Catholic social teaching

In addition to the staff, a nine-member commission made up of representatives from each vicariate assists in the overall mission. This includes providing materials and training to assist parishes wishing to better communicate and implement the stewardship of time, talent and treasure. Consultation and assistance is also available for parishes and schools conducting their own capital campaigns and other major fund-raising events, as well as matters related to bequests, gifts of stock, real estate, gift annuities, insurance endowments, grant-writing services, wills and trusts.

The office also conducts the ‘Ohana in Christ appeal and coordinates the Hawaii Catholic Community Foundation.
