The top three donors will win a party for their classrooms. ... October was **Breast Cancer Awareness** month. Students and staff wore pink on Oct. 27 in remembrance of and to support all those who have been affected by breast cancer. ... Again, this year we provided our students the opportunity to **"Trick or Treat"** on Oct. 31. The doors of each classroom were decorated, and everyone was allowed to wear a Halloween costume or black and orange to school. Each class went trick or treating to all the other homerooms. It was indeed a delightful way for our children to have some Halloween fun. (Reported by Earl Walker)

For **Hallow's Eve**, Oct. 31, we celebrated a little differently. The students walked to and gathered at our parish graveyard where they prayed for the souls and **La Salette Father Edison Pamintuan** blessed the children. He then joined us for the activities. Our office manager and parents made a wonderful themed maze and fun zones as well as a pumpkin patch where students could pick their own pumpkin to take home. The Early Learning Center also had a pumpkin carving contest with 18 participants with Father Edison as the judge. The winner this year was **Marcus Mateo** from the Ladybug Class. ... Our school is gearing up for its upcoming fundraiser, a **Christmas Country Store** coming on Dec. 2. Thank you to all who worked so hard to make the Hollow's Eve so memorable.
